

cannon

What else can we
do for you?

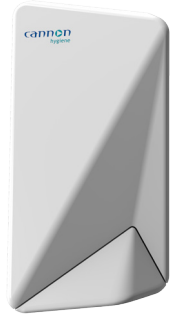

clean hands, added protection

Hand washing and drying facilities should be a standard offering in all washrooms.

Thoroughly clean and dry hands to eliminate the chance of cross infection.

- Soap dispensers
- Paper hand towels
- Hand dryers
- Hand sanitiser
- Roller towels

hygiene services to keep your bathroom clean & fresh smelling

Hygiene services to keep your bathroom clean and smelling fresh. For truly hygienic toilet and urinal surfaces, try our deep cleans and sanitisation units. Cannon fragrance systems create the right atmosphere and impression.

- Toilet and urinal deep cleans
- Fragrance units
- Toilet & urinal sanitisers

worry free hygiene solutions

High washroom standards show staff and customers you care while providing on-the-go care for infants and parents in the workplace, leisure and retail environments.

- No touch/auto lid feminine hygiene units
- Nappy and sanitary units contain Activap™ germicide which kills viruses and 99.999% of bacteria
- Toilet seat sanitiser
- Toilet tissue dispensers
- Infant changing tables

office consumables made easy

A range of washroom and office consumables can be ordered directly from a dedicated website, cannonconsumables.co.nz. Payment is secure and easy, via credit card or on account.

Products include toilet tissue and hand towels, as well as cleaning chemicals and materials, soaps and sanitisers.

infection prevention and fragrance

Using the latest technology Cannon Capsule releases microscopic polymer capsules to deliver antimicrobial action and fragrance.

minimising workplace illness

60% of all illness is contracted within the workplace! Look after your staff and reduce absenteeism with technology sanitising and cleaning. Cannon dusts, cleans and sanitises office equipment including:

- Telephones
- Computer keyboards
- Photocopier keypads
- Mouse/mouse pads

improving business image

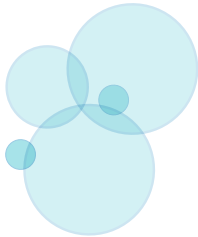

Cannon floor mats can reduce building maintenance, and provide comfort and safety to customers and staff.

- Dust/dirt control mats
- Non-slip mats
- Custom-branded mats
- Anti-fatigue mats

Always have a clean and fresh supply of towels on hand.

- Tea towels
- Bath & hand towels

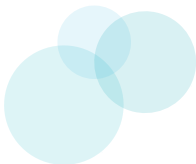

CannonCover reduces slips and falls in the office from water carried inside by wet umbrellas.

pest-free peace of mind

Adopting a consultative approach to pest control in all business environments. Commercial pest management is a science; we identify solutions based on our knowledge of insect and animal species' behavioural patterns, infestation rates, natural predators and likely recurrence levels.

- Rodent control
- Wildlife management
- Insect control
- Specialist bird control

Cannon is a division of OCS Limited, an international facilities services company providing sustainable solutions through facilities maintenance and management. OCS services include:

- cleaning
- waste management
- property & grounds maintenance
- handyman services
- security
- engineering services
- HVAC
- asset management
- electrical
- plumbing
- fire protection
