#### CABINET TOWEL SERVICE

The streamlined Cannon Hygiene roller towel unit dispenses up to 200 hygienic portions of premium quality, highly absorbent soft towel which means the days of messy paper towels and waste paper bins are over.

The Tekna retractable cabinet offers a high quality design and precision engineering. A built-in stop mechanism limits towel consumption and retraction of each used towel portion is automatic.

#### TEA TOWEL SERVICE

We can also provide you with good looking, extremely durable tea towels, laundered to the highest standards of cleanliness and hygiene every time.

Cost effective and reliable, Cannon Hygiene's roller towel service has been designed to deliver the highest standards of hygiene.

#### PROFESSIONAL FLOOR MAT SERVICE

Imagine being able to prevent at least 85% of soiling being trafficked into your building or office. Our plush pile floor mats are changed weekly and replaced with freshly laundered mats that have been rigorously checked to ensure optimum performance. You'll find our professional floor mats will significantly reduce fine dust and grit build up, minimizing the need for hard floor maintenance and carpet replacement. It means more protection for sensitive computers, equipment and air conditioning units too.
