

cannon

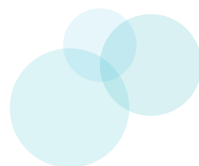

What else can we  
do for you?

## our service & what we offer

We deliver peace of mind with our after-sales care.

Please ask for more details about any of the services shown in this brochure.

## clean hands, added protection

Hand washing and drying facilities should be a standard offering in all washrooms.

Thoroughly clean and dry hands to eliminate the chance of cross infection.

- Soap dispensers
- Paper hand towels
- Hand dryers
- Hand sanitiser
- Roller towels

## clean & fresh smelling

For truly hygienic toilet and urinal surfaces, try our deep cleans and sanitisation units. Cannon fragrance systems create the right atmosphere and impression.

- Fragrance units
- Toilet & urinal sanitisers
- Deep cleans

## improving business image

Cannon floor mats can reduce building maintenance, and provide comfort and safety to customers and staff.

- Dust/dirt control mats
- Non-slip mats
- Custom-branded mats
- Anti-fatigue mats

Always have a clean and fresh supply of towels on hand.

- Tea towels
- Bath & hand towels

## worry-free hygienic personal care

High washroom standards show staff and customers you care. Our range of paper products will complete your washroom.

Cannon provide discreet and hygienic personal care services to meet demand.

- Toilet seat sanitiser
- Toilet tissue dispensers
- No touch/auto lid feminine hygiene units containing Activap™ germicide which kills viruses and 99.999% of bacteria.
- Vending machines
- Serviced first aid stations

## safer solutions for little ones

Providing infants and parents with on-the-go care in workplace, leisure and retail environments.

- Nappy disposal units, containing Activap™
- Infant changing tables
- Fragrance units

## minimising workplace illness

60% of all illness is contracted within the workplace! Look after your staff and reduce absenteeism with technology sanitising and cleaning. Cannon dusts, cleans and sanitises office equipment including:

- Telephones
- Computer keyboards
- Photocopier keypads
- Mouse/mouse pads

## cashless convenience

Cashless vending is a convenient way for your staff and customers to purchase a range of personal care items around the clock, using their credit or debit card.

Our product range contains known and reliable brands. It can be tailored to your environment and the specific needs of your staff and customers.

- Pain relief
- Deodorants
- Vitamin boosters
- Caffeine supplements
- Sanitary products
- Cold & flu medication
- Hair care
- Dental care

## pest-free peace of mind

Adopting a consultative approach to pest control in all business environments.

- Rodent control
- Insect control
- Wildlife management
- Specialist bird control
